

GCSA of New England

Friend and Affiliate
2018 Membership Renewal
&
Partnership Promotion
Program

DEAR FRIENDS & AFFILIATES

THANK YOU! - The past year was a success with 34 companies taking advantage of the promotional opportunities. Your support made a critical positive impact to the financial health of the GCSA of New England. All Friends and Affiliates who participated will be forwarded a program renewal invoice in the coming weeks. This invoice will be at the level of participation purchased for 2017. If you wish to continue your participation at a level different from 2017 please use the form in this pamphlet to make adjustments.

The 2018 Program again offers four Partnership levels, each with great value in advertising and additional expanded forms of recognition and promotions for your company. The program keeps your company name and logo front and center of the membership throughout the year.

- * **PARTNER LOGOS** will appear on billboard and table cards at every GCSA of New England regular meeting.
- * **PARTNERSHIPS** include Membership Directory advertisement and back page listing for your company.
- * **PARTNER** levels of Silver, Gold & Platinum include Newsletter advertisement space.
- * **PARTNER LOGOS** and Partnership Level designation will appear in a prominent location on the website.
- * **E-MAIL BLAST** to membership announcing Partnership support and participation in a customized message.

All Partnership levels include Friend and Affiliate dues and packaged advertising discounts. The program can simplify your membership and advertising needs by selecting a package offered that best fits your company profile or matches your scope of financial commitment. Partnerships do involve a greater financial commitment, but provide measurable value in the way of preferred service with great discounts. While we encourage our Friends and Affiliates to consider participating in the Partnership Promotion Program, it is not a requirement. You can renew your membership in the usual manner as well.

Your participation in the organization at all levels is valued, and member Superintendents are encouraged to support those who support the Association. Committing to the program early will provide you with full advertising in all newsletters. **Deadline for enrollment is March 31, 2018.**

This document serves as your Membership Renewal Form:

- * **Complete the *Membership Renewal Selection Form*** and choose the preferred method of payment.
- * **Complete the *Company Information Update & Friend Profile*** forms.
- * **Return completed card** in the enclosed addressed envelope. One stamp will get it there. Thank you again for your support & enjoy the Holiday!

Sincerely,

Ed Downing
