

Dr. Joseph Troll Turfgrass Classic

Special Announcement!

*Westchester Country Club,
Rye, New York*

Honoring: Jeff Wentworth, CGCS

After much consideration and discussion after reviewing state guidelines, CDC recommendations, and federal announcements regarding the outbreak of COVID-19 in the US and New England area, the Alumni Turf Group Board of Directors has unanimously determined, for the health and safety of the turfgrass community, that we **postpone our 16th annual Joseph Troll Classic at Westchester Country Club.**

The Alumni Turf group is committed to the health and safety of its Alumni network, as well as all those who participate in our events and fundraisers each year. Although this decision was not taken lightly, it is imperative that we do what we can in order to abide by the new CDC, and W.H.O. recommendations of limiting social interactions to groups less than 50 people for the next 8 weeks. Due to the wide age range of members and friends of the Alumni Community, the Board feels this is the best course of action.

At this time the Board of Directors is working closely with the staff at Westchester Country Club to establish a new date for our annual Joseph Troll Tournament. If you, or your company have submitted a sponsorship, donation, or player(s) for the event, those submissions will be honored for our new event date. At this time it is not anticipated that the 2020 event at Westchester will be cancelled in its entirety. In the event that this takes place, the Board will determine the best means of distributing refunds and credits to those who have committed to the event.

If you have any questions regarding sponsorships, player sign-ups, or other inquiries, please reach out to either Jon Heywood, or Dave Pease, whose information can be found below. It is our hope that together, through social distancing, and following government and local official guidelines, we can bring a swift end to this pandemic. For more information and updates regarding COVID-19 in your area, please visit [CDC.gov](https://www.cdc.gov) or visit your local government's website.

Sincerely,

The Alumni Turf Group Board of Directors and Trustees
